

# The Manufacture of Mice: Where Organ Engineering Must Go

4 JUNHO 2018 | 11h00  
**Instituto Superior Técnico**  
Campus Alameda  
Anfiteatro QA02.1 - Torre Sul

## **Edward F. Leonard**

Professor of Chemical Engineering and  
Biomedical Engineering  
School of Engineering and Applied Science  
Columbia University, USA

*American Institute of Medical and Biological Engineers Fellow  
(1992)*

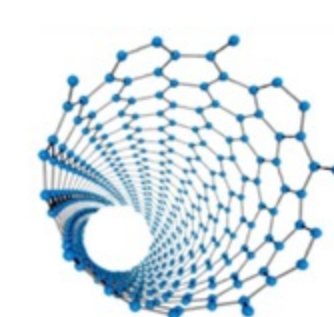

*New York Academy of Medicine Fellow (1988)*

*American Institute of Chemical Engineers Fellow (1984)*

*American Institute of Chemical Engineers Alan P. Colburn Award  
(1968)*

**TÉCNICO**  
LISBOA

**CeFEMA**
